Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I certainly don't appreciate
the way the FDA would impose
their regulations on pharmacies!
I need my prescriptions and
will refuse to allow the FDA to bully
specialized pharmacies! I will write
my representatives and senators
also!
